

# DEVON BLAINE

A professional communicator, Devon Blaine is the founder, president, and CEO of The Blaine Group, Inc., a total communications agency established in 1975, which was recently named the 34th largest public relations firm in Los Angeles. It has represented such diverse clients as L' Image Graphics, Great Expectations, and the GLENFED Business Lending Service affiliate of Glendale Federal. The Blaine Group, Inc., publicly-held STAAR Surgical Company and SGI International, *Playgirl* and *Slimmer* magazines; the University of Southern California, the Italian Trade Commission; the California Association of Community Colleges; the Optometric Care Council of Southern California, the Renaissance Pleasure Fairs, large-sized women's dress manufacturer Chez of California, and several bestselling authors.

Blaine is experienced in all facets of the communications industry. She has written newspaper and magazine columns, scripted radio and television commercials, served as a production supervisor, strategized political issues and campaigns, developed and implemented investor relations plans, and created communications campaigns for a diverse range of clients.

As an entrepreneur, Blaine has long been active in small business organizations and activities.
