

JEANNIE GRAVES

Jeannie Graves is the CEO of Claim Net, which she founded in 1983. The company provides temporary claims people nationwide in all lines of insurance. Additionally, Claim Net provides medical billers and inspectors for disaster claims. As a subcontractor under the Federal Emergency Management Agency, Claim Net has handled as many as five disasters simultaneously from Washington State to Puerto Rico.

Trained as a claims adjuster and having worked up to Claims Manager, Jeannie has been in the insurance claims industry since 1974. She has worked for Insurance Carriers, Third-Party Administrators and Self-Administered Self-Insurers. Prior employers include State Compensation Insurance Fund and Bethlehem Steel Corporation. She also worked for several years in an employment agency in her 'salad days.'

In 1974, Jeannie was awarded a Bachelor of Arts degree from California State University at Northridge. She holds certificates to administer Workers' Compensation claims in California and to teach claims handling practices on the post-secondary level of education. She is Clerk (Chair) of the Board of Directors of the "Friends Bulletin." She is a past member of the California Manufacturer's Association Steering Committee on Workers' Compensation, and is a past President of the Workers' Compensation Defense Forum. She is a National Visitor for Prisoner Visitation and Support, which provides a visiting service with access to all Federal and Military Prisons in the U.S.
