

DENISE M. KIMBERLING-JONES

PLAN 4, a full service design firm that assists businesses with their facility planning through architectural, interior design and furniture services. Helping clients invest wisely to save money on the space they buy or lease by designing an efficient environment and finding the right furniture to meet their needs.

Denise Kimberling founded PLAN 4 in 1982. She determined that taking a holistic approach in master planning and problem solving the interior environment, aided businesses to better manage their overhead costs. Recognizing the importance of educating clients so they can make economic business decisions regarding their facility and employees, it would produce a return on that investment.

Denise received a Bachelor of Science from Purdue University in the field of Environmental Design with an emphasis in construction technology and supplemental studies in design and art at the American College of Lucerne, Switzerland. Her previous experience includes working with a leading design studio in the Chicago area and sales and marketing with one of the largest Dallas/Fort Worth contract furniture dealers.

Denise has been active as a professional member of the International Interior Design Association (formerly Institute of Business Designers), The Texas Association of Interior Designers and is registered with the State of Texas as an Interior Designer. She is participating on the IIDA Principal's Roundtable for Dallas Architectural & Design Firms and has served on the board for both IIDA and IBD Texas Chapters and The Design Connection Association. In 1991 she was honored with the North Texas IBD Chapter Service Award.

In addition to her professional affiliations, Ms. Kimberling is a member of the The Dallas Friday Group, CEO Network and Doctor's Referral Service of North Texas where she served as Vice President of Programs and is President for 1997-1998. Philanthropically she serves on the Board of Directors for the Dallas Children's Museum, has supported activities with EXCAP – Prevention of Child Abuse, American Cancer Society and actively assists Northaven Co-operative Preschool & Kindergarten with fundraising events. She was a guest speaker at the Texas Public Works Association/Facility Management Institute State Conference in 1987&1988 and the North Texas Physician's Managers Association/Plano Chapter in 1999.

Denise and husband, Tom Jones are proud parents of their daughters, Alexis (5 years) and Erica (2 years). They are expecting their third child in August 2001.
