

# DENNIS J. RUSCONI

Dennis is President of The Rusconi Company, an investment banking firm. The firm specializes in structuring mergers and acquisitions, leveraged buyouts, valuations and litigation support, restructuring of debt obligations, and identifying appropriate financing options and sources for corporate clients.

Prior to forming The Rusconi Company, Dennis was Founder and Managing Partner of Rusconi, Cahill & Larkin PC, a certified public accounting firm. From 1980 to 1985 the firm grew to a three office operation and was hailed as one of the fastest growing accounting firms in New England. A graduate of the University of Connecticut, Dennis spent 16 years with Arthur Andersen & Co., five of those years as partner-in-charge of the Small Business Division of the Hartford office.

Active in both community and professional organizations, Dennis is a charter member of CEO Club of America; member and former president of Connecticut Venture Group; member of Turnaround Society of Connecticut; member of the Board of Directors, Hartford Seminary Foundation. He is on the Board of Directors of the 1000 Corporation (the real estate affiliate of St. Francis Hospital and Medical Center). He serves on the board of directors and is a shareholder of several privately held corporations in Connecticut.

Prior to cofounding The Rusconi Company, Joan was a consultant specializing in public relations, advertising and marketing from 1980-1985. She was also involved in the administrative aspects of facilities management and the start up of new operations. In addition, Joan has worked closely with operating management in turnaround situations.

Joan is the President of The Shetland Company, a West Hartford based real estate investment company. She was also an officer in Rusconi Securities, Inc., a broker-dealer affiliate of The Rusconi Company. She is an incorporator and director of the First Bank of West Hartford. Joan is a shareholder and serves on several boards of directors of privately held companies in Connecticut.
